

Crack the Codes under the Sea

Amazing Fact

There is a type of jellyfish found in the Mediterranean Sea that has a very unusual way of living forever. It does not die but changes back into how it looked when it first existed. A bit like being born all over again!

Challenge

Crack the codes on the activity sheet provided to work out the sea creatures.

You could also try to find out:

- what else lives in the Mediterranean Sea;
- what age the oldest human lived to;
- what the jellyfish looks like;
- what other interesting species of jellyfish exist.
