

Big Ben Paper Model

Instructions

1. Begin by cutting out the shapes on page 1. These pieces will make the clock tower. Cut along the thick black lines. Some of these lines go into the model, so be careful as you cut them. NB. Cut down to the second fold next to tab 10.
2. Fold all dotted lines into a hill fold (folded down).
3. Apply glue to tab 1 and stick to form the clock tower.
4. Apply glue to tab 2 and 3. Tuck tab 3 beneath tab 2 and carefully stick the roof section to form the spire.
5. Cut out the shapes on page 2. The pieces will make the Palace of Westminster. Cut along the thick black lines. Some of these lines go into the model, so be careful as you cut them – refer to the diagram below. NB. Make sure you cut the line between tab 6 and 7.
6. Fold all dotted lines into a hill fold (folded down).
7. Apply glue to tab 4 and stick to the corresponding section to form a tower
8. Apply glue to tabs 5, 6 and 7. Carefully fold and stick the tabs to complete the tower.
9. Apply glue to tabs 8 and 9. Stick tab 9 to the longer side of the palace and tab 8 to the shorter side.
10. Apply glue to tab 10 and tuck it under to complete the roof.
11. Apply glue to tab 11 and stick to the end to form a square.
12. Apply glue to tabs 12 and 13. Place the square over the spire and stick to the corresponding numbers.

Your model of Big Ben is now complete!

Hill Fold (Fold up)

Valley Fold (Fold down)
