Dear Parents / Carers

Following the Prime Minister's address last night, we are sure that you have many questions and want to assure you that we will continue to do the very best that we can for you and your children.

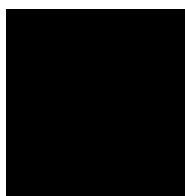

Life is uncertain for us all and soon we may be faced with a phased return to school. Currently, however, there is no change to the guidance and we continue to provide care for those parents / carers whose work is critical to the COVID-19 response. In the next few days, we expect to receive information from the DfE providing clear guidance regarding social distancing measures in school whilst keeping our children, staff and families safe. As always, we will keep you informed but for now please try not to worry.

Now that we are in week eight of lockdown, we have decided that the children may well benefit from a brief telephone conversation with their class teacher. This is entirely optional – some children may welcome the opportunity and others may not, therefore, may we suggest that you email teachers to indicate whether your child would welcome a chat. Class teachers will then send you a date and time for this telephone call to take place sometime over the next two weeks.

We would like to thank you and your family for doing such a wonderful job in undertaking Walford's home-learning offer – it has been nothing short of remarkable! Here's to another great week... keep safe and keep smiling, everyone!

Yours sincerely

Ms L. George
Headteacher
