Dear Parents / Carers

Can you believe this is the sixth week of home-learning?! I wish to reiterate that you are all doing the most remarkable job despite hugely challenging circumstances. We hope that you enjoyed the beautiful weather over the weekend and look forward to hearing all about the 2.6 challenges that you and family may have completed.

The school Twitter Feed is a fantastic platform to showcase and share good news and to celebrate the impressive home-learning that you and your wonderful children are engaged in. Some Walford families have started to use this platform to communicate news from home to school, which is brilliant. We would welcome more of our families to use Twitter in this way, remembering to tag **@WalfordSchool**. In addition, please 'like' the tweets to indicate that you have seen them. We have listed the following recent examples, for your information:

- Esme and Josh showing their appreciation for the NHS.
- Laura for participating in the Encore Herefordshire Music Service video, showing appreciation for the NHS.
- Harry, George and William sharing their quest to achieve their Cub / Beavers badges.
- Nate and Harry sharing their 2.6 challenge, supporting the Cystic Fibrosis Trust.
- James raising money for the Air Ambulance by completing a 50km walk in May.

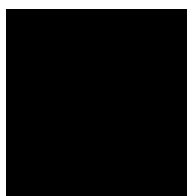

This is a fantastic way to communicate with each other during this new style of remote learning. It is also a platform you and your family can enjoy together, following the school's celebration of your excellent efforts and noteworthy achievements.

This week, we all have the opportunity to take part in the Stride Active (Twitter: @stride_active) fortnightly challenges for all schools in Herefordshire, which is detailed in the attachment below. This is a perfect opportunity to start sharing all that you and your family are doing on the School Twitter page (@WalfordSchool).

Here's to another great week of home-learning - keep safe and keep smiling, everyone!

Best wishes

Ms L. George
Headteacher
