Dear Parents / Carers,

We are blown away with our Walford families this week. Every Mum, Dad and adult looking after children have done such an incredible job engaging with Walford's home-learning opportunities - well done, everyone!

Your children are a credit to you and we hope that together, you have enjoyed taking part in one or more tasks on offer everyday. It is our intention to provide daily home-learning activities in order to support and assist you and your family.

Please accept our apologies if you have felt overwhelmed with the daily updates - you can decide how much, or how little you wish to do. This is not home-schooling, we are simply trying to enable you to keep your child's knowledge and skills fresh. We also recognise that during these incredibly challenging times, you and your children will have the time to do new things together so please do not feel pressured - you know what is best for your child(ren).

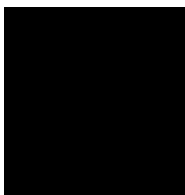

In good old Fabulous Friday, Wonderful Walford tradition, please find attached your well-earned and well-deserved recognition to celebrate and enjoy with your child(ren).

Now it's time to put your feet up and have a rest - it's the weekend!

Keep safe and keep smiling!

Kind regards

Ms L. George
Headteacher
