Dear Parents / Carers,

Following the Prime Minister's address at 8.30pm this evening, the social distancing measures have increased significantly whereby every member of society are being instructed to stay at home unless it is absolutely imperative to leave their home for the following reasons:

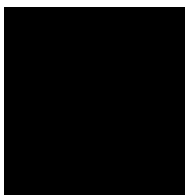

- Travelling to and from ESSENTIAL work
- Essential food shopping
- The collection of medicines
- One daily exercise, adhering to social distancing measures
- Gathering of two or more people in public is prohibited, unless members of the same household.

Please note that tomorrow, myself and Mrs. Hanham (Deputy Headteacher), are the only adults in school providing vital care for the children of key workers. The time has come for us all to play our part in ensuring the safety of every child and every adult. I, therefore, urge you to make every effort to keep your children safe at home.

I would like take this opportunity to thank our parents and carers who are doing everything to ensure that our children and adults are kept safe and protected everyday.

Kind regards

Ms L. George
Headteacher
