Monday 23rd March 2020

Dear Parents / Carers, Boys & Girls

We hope that you are all enjoying your first experience of home learning - what a beautiful day we have had to kick-start this very new way of working.

We are aware that some of you may be feeling over-whelmed and may be worrying about how much or how little to do with your children, in relation to school work.

In a very short space of time, we planned and organised a home-learning pack because we were concerned about the unprecedented online traffic and potential lack of internet. Now that you are armed with a home-learning pack in addition to the daily teacher dialogue and class timetable, this appears to be causing some concern.

May I suggest, that the home-learning pack is used as Easter holiday homework (if you wish to do that), as is our usual practise. In terms of moving forward, may I suggest the following:

- Try to establish a daily routine - this will help to keep you all sane!
- Think about a normal school day and using all of the resources our teachers have organised for you, choose one of the following areas:

1 x writing activity daily

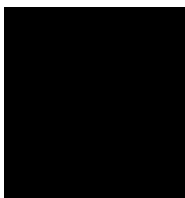

1 x maths activity daily

1 x topic/science based activity

Lots of indoor / outdoor exercise, adhering to social distancing measures.

- Daily reading opportunities - read to your child / get your child to read to you / read together, have fun and enjoy the opportunity.
- If you are feeling adventurous and brave - hit the kitchen and develop the next Mary Berry & Paul Hollywood!

The teachers are working extremely hard to support you all at home - some of you may want more to do, some of you may want less, therefore, we would ask that you decide what is best for your child.

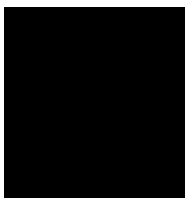

Learning and Enjoyment...
Every Child, Every Opportunity, Every Day!

We will, as always, continue to help and support in every way that we can.

Kind regards

Ms L. George
Headteacher
