

French Pupil Voice

March 2022

Do you enjoy learning French?

I like it because my
Grandma lives in
France.

I like it because it is
a nice language.

The interactive is good
fun and the activities are
good.

I like speaking
different
languages to
English.

It's fun!

Do you feel French is an important subject?

Yes, when you grow up you might need it.

You might move to France and you might need it to make new friends.

Yes, because if you go to a different country you can know the language.

Yes

It's important for travelling.

What topics have you learnt?

- Toys and pocket money
- Numbers
- Weather
- Counting
- Animals
- Clothing
- Fruit and vegetables
- Classroom instructions
- Forms of Transport
- Numbers to 100

Name three words you would use to describe language study

Interesting,
difficult, fun

Inspiring, good,
exciting

Fascinating, fun,
helpful

Enjoyable,
interesting, mind
blowing

Hard, confusing,
fun

Important,
confusing, fun

Does learning another language support your own development?

Yes, because you can get into a better university if you know another language and you can have better business opportunities.

Yes, you almost need it as emergencies may happen anywhere.

Yes, because you can understand different languages and speak them

What enrichment opportunities have you had relating to languages?

Duolingo in Italian.

Mum's work
colleagues speak
French and Spanish.

I learnt Spanish in my
old school.

I have tried some
Spanish.

Dad speaks German.

My Dad is Italian.

I've been to Turkey on
holiday – I was
listening for clues.

I went to Tenerife –
they speak Spanish.

What is the best thing about learning French at our school?

Teachers are very nice and help us to do it.

Learning about other places that speak French and investigating on the iPads.

It's interactive.

The labelling and drawing, we get to learn the words through pictures.

Creating the posters about things we have learnt.

We have some of the best French teachers. It's fun.
