

Olympic Torch

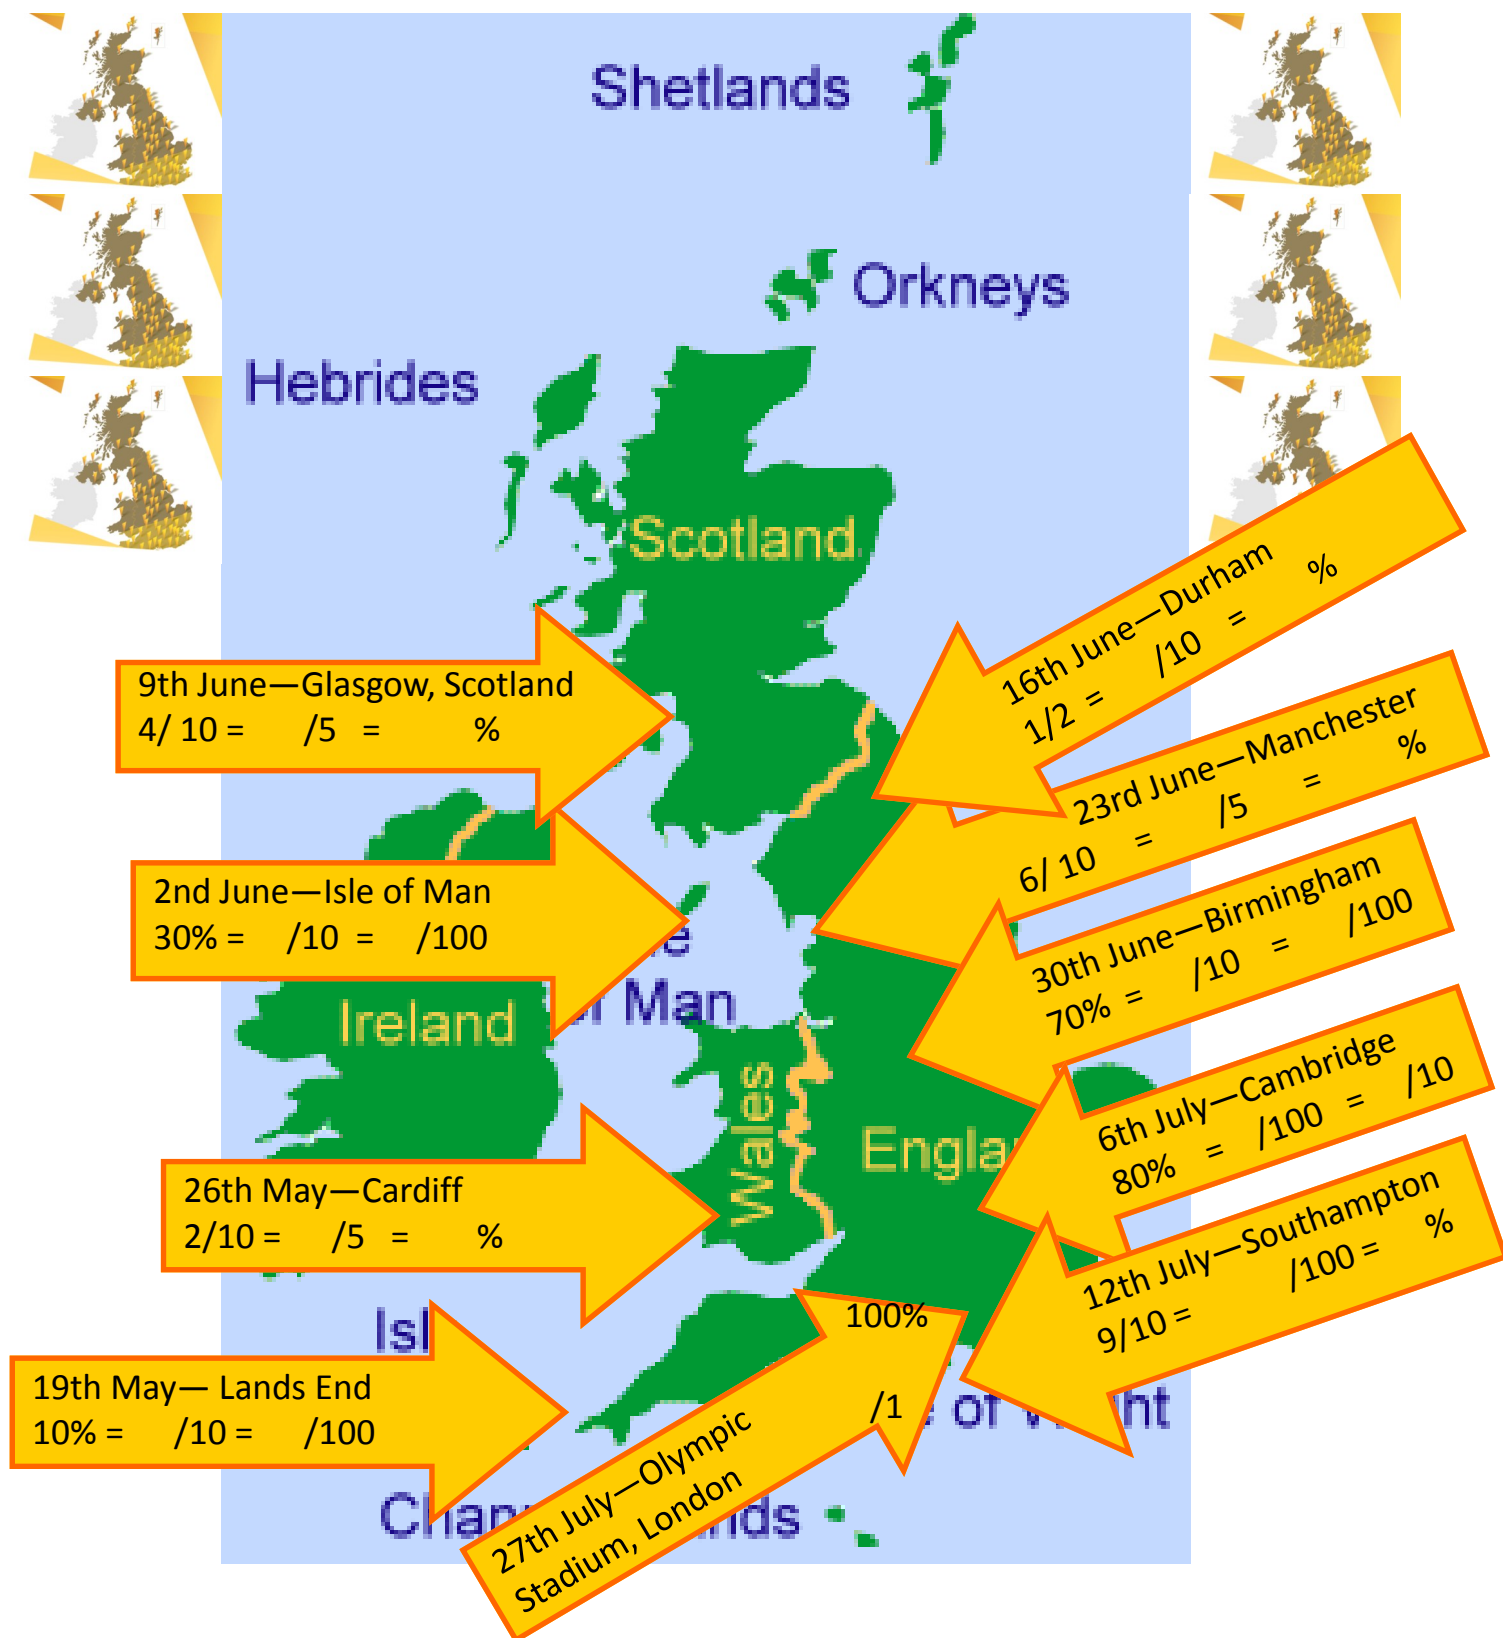

8000 people will carry the torch over 70 days,
between the 19th May and the 22nd July 2012.

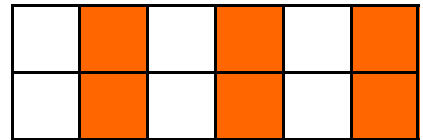

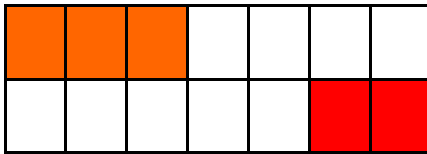

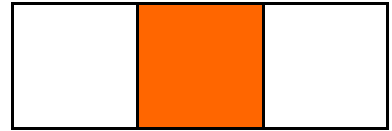

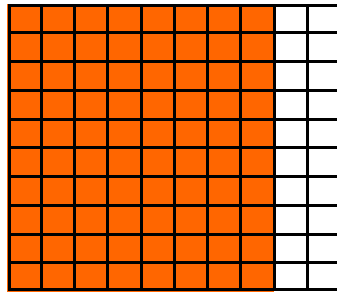

The route has been designed so that the torch will
come within 10 miles of 95% of people within the UK.

Learning Challenge

Can I recognise proportions of a whole and use
fractions and percentages to describe these?

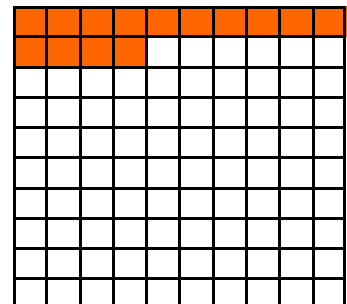

$$\frac{3}{4} = ?$$

$$\frac{1}{4} = ?$$

$$\frac{2}{3} < ?$$

Choose from the answers below, and write each one in the correct place on the grid.

Be careful!

Some answers might go in 2 places, and there is one extra one!

80%

$\frac{4}{5}$

25%

50%

$\frac{1}{3}$

14%

75%

$\frac{5}{14}$

$\frac{80}{100}$

35%

If you finish all of these, and you have checked your work, please enjoy a game of fraction action!
