

My name is [REDACTED] and I am 11-years-old. My most memorable moment is when I scored a volley from the half-way line in a match against Ashfield. My favourite school trip was when we went to Tipi Adventure in Year 3 and 4. My favourite subjects are Maths and PE. My favourite thing to do is to play football. I train with my local team, [REDACTED], on a Thursday. I really enjoy it. I also enjoy cooking food. My favourite food is spaghetti carbonara and my favourite desert is apple and rhubarb crumble with custard. When I grow up, I want to be a footballer or a football manager. I support [REDACTED] and my two favourite footballers are Gareth Bale and Jadon Sancho. My favourite animal is a penguin and my favourite sweet maker is Cadbury.
