

My name is [REDACTED] and I have been at Walford for seven years. I have enjoyed it so much. I have made many friends over the years, who I will never forget. When I go up to high school, I will always remember my class and my best friends. I have made so many good memories. I love to be silly, loud and have fun and at Walford, I have shared that with everyone. I remember the trip to Bournemouth where [REDACTED] and I chose our room based on the tidiness and the tea and coffee. We made cups of tea that we never drank! At Stackpole, I remember being so scared when we did the Night Line. With some encouragement, I went through the tunnel! I have really enjoyed my time at Walford and I will be sad to leave.

* I love baking cakes.

* When I am older, I would like to travel the world, do photography and become a teacher.
