

Spring Term
KS1 Pupil Voice
D&T

What the children have said...

- It's fun when we make new things
- I like decorating
- I like tasting different food
- I like learning new skills
- I liked making my windmill
- I liked making the sail for my windmill and testing it outside
- I like making new things
- I liked eating my wrap.

How much do you enjoy Design and Technology Lessons?

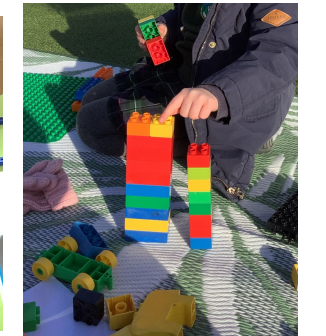

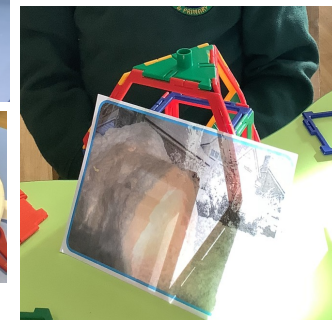

- Using tools to make marks in playdough and clay
- Exploring natural materials
- Using tools to spread food
- Construction

Class R

- Designing and building big hotels for Forest School
- Construction – ‘I wonder if the tallest tower always has the most blocks?’ (Maths link)
