What is the Sports Premium?

The Government is providing funding for primary school PE and sport. The PE and sport premium funding can only be spent on this provision in schools. In 2018/19 it will be £16,000 per school plus £10 per pupil.

Purpose of funding

Schools have to spend the sport funding on improving their provision of PE and sport in order to:

- Develop or add to the PE and sports activities that the school already offers.
- Build capacity and capability within the school to ensure that improvement's made now will benefit pupils joining the school in future years.

There are **5 key indicators** that schools should expect to see improvement across:

- The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
- The profile of PE and sport is raised across the school as a tool for whole-school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

How will we be spending the Sports' Funding and who will benefit?

- All children benefit regardless of sporting ability and that all children are engaged in regular physical activity (30 minutes per day in school).
- The profile of sport and healthy lifestyles is increased for all.
- A broad range of sports are offered to all children.
- Children are given the opportunity to compete and participate in sport and physical activity beyond the school day.
- Staff have access to training opportunities and continued professional development.
- Regular CPD provided for all staff in a range of sports.

How will we check its impact each year?

The governing body, Headteacher and PE Coordinator observe lessons, monitor the take up of clubs, and talk to children about PE as part of our school self-evaluation cycle. Our evidence base is shared with all staff in staff meetings. Pupil, staff and parent are asked to complete questionnaires on an annual basis.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
- New sports introduced to the children for the first time e.g. Archery, Tri Golf, Gymnastics and Handball. - Sports Crew leading intra-sport activities across the school. - Range of inter-sport opportunities with greater sporting success at Inter-Sport events throughout the year. - A wider range of professional coaches, e.g., Cricket, Football, Gymnastics, Archery and Handball - The equipment that has been purchased has continued to allow the high quality teaching and delivering of P.E. e.g., Archery and Handball. - The PBES continues to provide us with great links to John Kyrle High School and offer specialist PE teaching and coaching from the staff. It also enables us to take part in many festivals, competitions and events, which allow the children to develop skills further and take part in competitive events. - The introduction of the Daily Mile has led to an increased enthusiasm for daily physical activity and is completed by all KS2 daily. - Dino Wall, fitness equipment and Pirate Ship installed to encourage daily physical activity. Tyre Park refurbished.	- Further development of the Daily Mile to involve KS1. - Completion of two-year plan to install playground equipment to promote daily physical exercise. - Embed Change 4 Life clubs. - Develop the promotion of the school's profile of Sport and PE through the School TV, Newsletter, Website, Twitter and school noticeboard. - Encourage visits from sporting role models. Engage local and national sporting personalities to raise sport profile and encourage pupils to aspire in Sport and PE. Look for more ways to inspire children to love Sport and PE. - To continue to introduce children to new sports and experiences and embed these into the school curriculum and extra-curricular opportunities. - To increase the percentage of children who can use a range of swimming strokes effectively by the end of KS2. - Refurbishment of the gymnastics equipment.

Meeting national curriculum requirements for swimming and water safety – 28 children in Year 6 in 2018/2019	Please complete all of the below:
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25metres?	100%
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	74%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	81%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
