Dear Parents/Carers

We have exciting news! On **Wednesday, 13th November**, children in Key Stage 2 will have the opportunity to experience writing workshops with author C.S. Clifford. Children will participate in a question and answer session, followed by a presentation. They will then be set a writing challenge which will be followed up with class writing workshops linked to C.S. Clifford's books.

Reading is one of the most integral skills for a successful life, from the range of vocabulary it offers children to the way it allows their minds to become engrossed in imaginary worlds. Reading not only promotes a child's development of reading skills, but also their self-esteem, confidence and their overall academic attainment. This is an excellent opportunity to promote and celebrate a love of reading throughout the school!

His books are available to purchase on ParentPay and children will be able to collect them from the hall where he will be signing them at the end of the day. For your information, please see the attached flyer detailing the range of titles that are available. More information on each of the titles can be found at www.csclifford.co.uk.

This is a wonderful opportunity and we hope the children will be as excited as we are to host another inspiring author.

Yours sincerely

Ms L. George
Headteacher
