Dear Parents/Guardians

Cobrey Farm – Asparagus Tour

On Tuesday 18th June, Class 5 have an exciting opportunity to visit Cobrey Farm and to learn about the journey that our food takes from field to fork - from the moment it's planted in the ground right through to the distribution in our supermarkets.

The children will have a tour of the fields where blueberries are growing and will then walk through the packing factory to see how our food is prepared for the supermarkets.

As the children will experience a walk through the giant chillers, all children should wear school uniform and trainers to school. They will leave school promptly at 9.00am and return in time for lunch. Cobrey Farm have kindly provided our transport.

Children will have the opportunity to sample some asparagus during their time at Cobrey Farm and will return to school before lunch

Yours sincerely

Ms L George
Head Teacher
