

Safer Internet Day 2021
Keyworker Children in School – Home Learning

Safer Internet Day Film with ChildNet

The image displays three sequential screenshots of a YouTube video. The video is titled "Safer Internet Day" and is categorized as "Unlisted". It has 560 views and was streamed live on 9 Feb 2021. The video features a collage of children's faces in the background. In the first screenshot, a boy with glasses and a girl are shown, with a dog wearing glasses in the foreground. The subtitle reads "i think that the information is true because". In the second screenshot, the text "Tell us about what this year's Safer Internet Day theme means to you..." is overlaid on the collage. In the third screenshot, a boy is shown speaking, with the subtitle "and the dangers of those." visible. The UK Safer Internet Centre logo is present in the top right corner of each video frame. The video player interface includes a search bar, a progress bar, and a timestamp of 55:07 / 1:40:18.
