

Computing Festival of Learning Tuesday, 28th June 2022

Parent / Carer Feedback

I would like to make the following comment about my experience this afternoon...

Very informative and learned useful restrictions for iPad from John.
Great fun and the children certainly enjoy it!
Very informative.
Practical and linked to learning.
The children were all very knowledgeable about their station and keen to talk all about it.
I have been speaking to a visitor from Gloucester University who told me that she is utterly blown away with how much computing is happening at Walford and how competent the children are in explaining their learning. I am very impressed!
Everything was good, children are very smart.
I enjoyed seeing the technology used in the school.
Great afternoon!
It's very impressive how much you all do. Great work!
The children presented beautifully and with confidence.
Loved all the different tools they use to learn.
Very clever!
Very informative. Great cake!
It's been lovely seeing all the wonderful computing opportunities for the pupils - they've all been so enthusiastic about showing their work off! Thank you for a lovely afternoon!
Really informative, fun and interactive. Loved it!
It was nice to see the children showing off their skills!
Absolutely brilliant!
Very impressed with the level of attainment & exciting activities. Great job!
Lots of fun things to see and do from the world of computing. The children are very enthusiastic and knowledgeable about the subject. Well done!
Very organised!
Really informative and interesting. The children were superb ambassadors for the school, confident, polite and really enthusiastic.
Great afternoon lovely to be back in school!
Loved the enthusiasm from the children when showing me their stalls and technology.
Favourite had to be the electronic sorting hat, I couldn't walk by without knowing which house I would be in. Thankfully, I was Gryffindor! 😊
