

Quick Practice - Simple sentences

Learning objectives

40-60+ months:

- Hears and says the initial sound in words.
- Can segment the sounds in simple words and blend them together and knows which letters represent some of them.
- Links sounds to letters, naming and sounding the letters of the alphabet.
- Begins to read words and simple sentences.
- Uses some clearly identifiable letters to communicate meaning, representing some sounds correctly and in sequence.
- Writes own name and other things such as labels, captions.

Early Learning Goals: Writing and Reading

- Children use their phonic knowledge to write words in ways which match their spoken sounds.
- Children read and understand simple sentences. They use phonic knowledge to decode regular words and read them aloud accurately.

Activity 1 - Reading sentences

Read each sentence and draw it the box.

The cat is black.

My dog is wet.

I like the blue hat.
